

Celebrate your time in  
Perth on the Swan.

# This Square Boat is cool!

Crystal Swan is proud to be the only first class function and reception venue that cruises down the Swan River.

We believe in giving our customers an event to remember. As the only cruising vessel/venue offering a 360 panorama view, and trained hospitality staff, we can give our guests a luxurious and unforgettable corporate event.

We can cater for up to 200 guests and we offer a wide range of menu selections. To make your event even more memorable we can tailor your event theme, food and beverage requests as well.

Tea & Coffee

# Frequently asked questions.

## How long is the cruise?

Our group incentive cruise is for three hours.

## Where does the vessel cruise?

Your vessel will depart from Barrack Square, travel west under the Narrows bridge past the Old Swan Brewery and into Matilda Bay. Our journey takes us past the University of Western Australia and the Royal Perth Yacht Club towards the Raffles Hotel at Canning Bridge, the captain will then steer her down river before it is time to turn around and return to Perth.

## What about stability?

The Crystal Swan has three hulls, one on each side and one in the middle and combined with the massive weight is a very stable boat when cruising. As with all vessels on the water it will move depending on traffic but any motion is usually very swift and comfortable.

## What about guests that may get seasick?

If you have guests that are prone to motion sickness then they will need to take something for the journey. Guests will not suffer from seasickness as the vessel remains on the river at all times.

## Capacities

The vessel can comfortably accommodate up to 100 guests on one level for a formal sit down meal (up to 170 guests over both levels) and up to 200 guests for a stand up cocktail style event over both levels.

## Is there a minimum number of guests?

Yes. The minimum number of adult guests for our event packages begin at 40. You can have numbers less than 40 but must still pay for the minimum charge.

## What is the foc policy?

One tour guide only per group is free of charge.

## Where do our guests embark/disembark?

The Crystal Swan departs and returns to Barrack Street Jetties at Elizabeth Quay in the Perth CBD.

## Is there parking nearby?

We recommend parking at the Perth City Council car park opposite the Perth Concert Hall. This car park is open 24 hours a day, seven days a week and is a short 5 minute walk to the jetty.

## Do you cater for special diets?

Yes, your event coordinator will enquire early in the planning process if you have any special dietary requirements so that we may be prepared; religious, lifestyle and allergies can all be accommodated as long as we are informed.

## Can I bring my own music/band/entertainment on board?

Yes. You are welcome to use our in house system, utilise our Ipod dock, arrange a DJ or even book a live band. If you need any suggestions regarding live music we can also assist. It is best check on our system a couple of days before your event.

## Do you have wheel chair access?

Unfortunately no. The Crystal Swan is not wheel chair friendly although events in the past have included the occasional wheel chair bound guest. There are no disabled toilets onboard and the suitability of the vessel remains at the discretion of the guest concerned.

## What if it rains? Is windy? Storming?

As we are fully enclosed, rain is no problem but if the winds are 30 knots or stronger your event will continue at the jetty until the winds subside or the function concludes. The Master of the vessel will determine if conditions are safe or unsafe.
