Perth's Crystal Swan is proud to partner with the WA Bush Poets & Yarn Spinners Association to provide the inaugural evening of "Bush Poetry & Yarn Spinning on the Swan" during the 2019 Fringe World Festival.

General Manager Mr Peter Dinon said the Crystal Swan was proud and excited to partner with the WA Bush Poets Society to provide an evening of this unique Australian style story-telling.

The Perth city skyline provides your backdrop as we cruise along the beautiful Swan river with local bush poets relating moving and sometime hilarious anecdotes about the characters found in rural and remote Australia.

President Bill Gordon says our poets are about telling a story and delivering the lines with just the right amount of humour, passion or feeling and sometimes, even with a touch of the theatrical.
